Aklys Defense Atlas 30 Caliber User Servicable Suppressor

Product Code: Atlas 30 caliber user servicable suppressor
Availability: In Stock

Price: $999.00

Description

The Aklys Defense **Atlas .30** is our .30 caliber user serviceable suppressor. This **heavy duty** suppressor uses a double threaded interface and a modular blast chamber for light weight (19oz) and high Volume for outstanding suppressed performance, it is built to withstand use on magazine fed machine guns and rated up to .300 RUM and down!

The **Atlas .30** also functions as a superb multi caliber suppressor, allowing use on multiple hosts from .300 RUM and other .30 Ultra Magnums down to 5.56mm. The double threaded 17-4 stainless and Future Proof (TM) construction with integrated blast baffle gives 10-12% better performance than Inconel giving this suppressor a lifetime of use and it user serviceable design allows use of extensive subsonic and un-jacketed lead projectiles without fear of clogging up the baffles. Minimal and consistent point of impact shift compared to and unsuppressed host and typically increased accuracy!.

This is a 300 **ULTRA MAGNUM** rated can!

Utilizes and includes a compact Aklys QD brake and mount system or utilize any industry standard X375/HUB/OMEGA/KEYMO compatible mounting system,
